Sir:

On September 21, 2009, Deposit Account 501281 was erroneously charged for 4 additional total claims in the amount of \$208.00 (Exhibit A) and a request for refund is hereby submitted.

On July 30, 2009, Amendment (D) was filed, which amended the claims resulting a claim count of 40 total and 10 independent. The Patent Application Fee Determination of Record (Exhibit B) indicates only 36 total claims were paid for, thereby triggering the charge of \$208.00.

However, the above-captioned application was filed with a claim count totaling 42 total claims and 10 independent claims, including multiple dependent claims. These claims were paid for through a deposit account charge on July 23, 2004 (Exhibit C).

In view of Exhibit C demonstrating 42 was the highest number of total claims previously paid for, the undersigned requests the \$208.00 for 4 additional total claims be refunded to deposit account 501281.

Respectfully submitted,

GRIFFIN & SZIPL, P.C.
